

Dispopages Workflow

1 Navigate to dispopages.com

2 Click "Register" in the top right corner of the page.

3

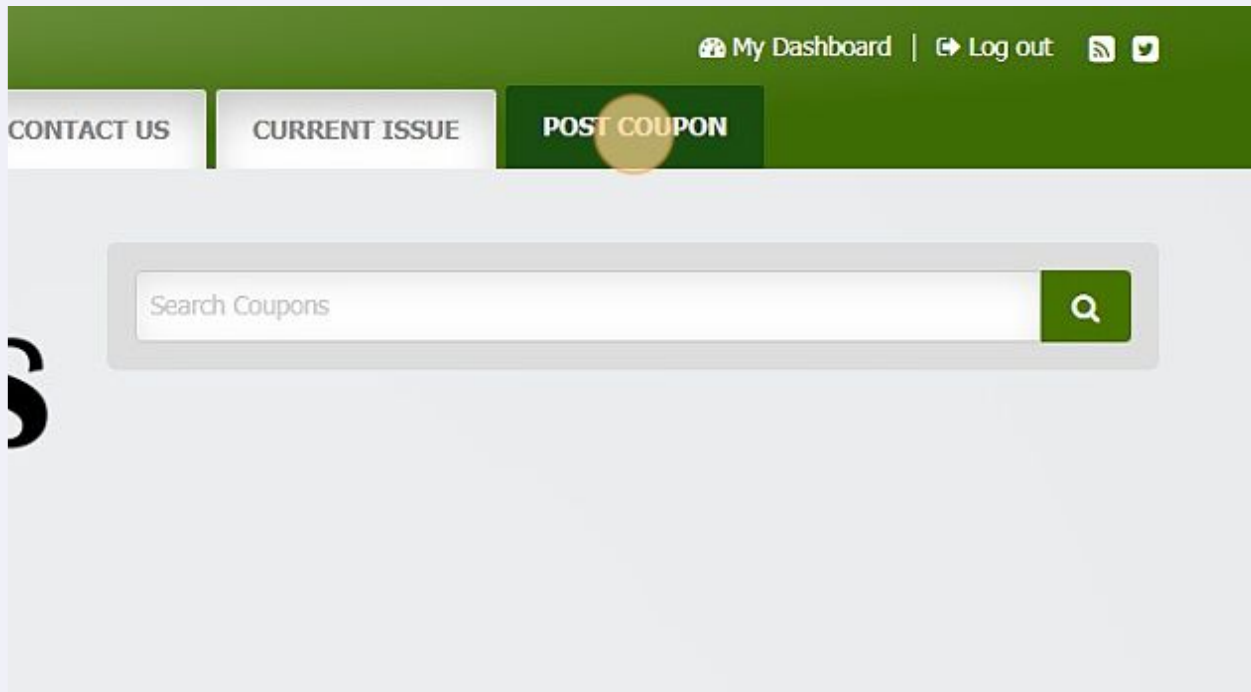

Create username, password, and verify your age. Click register to create your account.

The registration form contains the following elements:

- Username:** A text input field containing the text "Dispo".
- Email:** A text input field containing the email address "janitobe@brand-app.biz".
- Password:** A password input field with masked characters (dots).
- Hide:** A button with a lock icon and the text "Hide" to toggle password visibility.
- Strength:** A green progress bar labeled "Strong" indicating password strength.
- Age Verification:** A checkbox labeled "I am at least 21 years old".
- Register:** A large green button labeled "Register".
- Footer:** Links for "Log in" and "Lost your password?".

4

Click "POST COUPON" in the main navigation bar.

- 5 Select "Coupon" if multiple options are available. Click "Next Step"

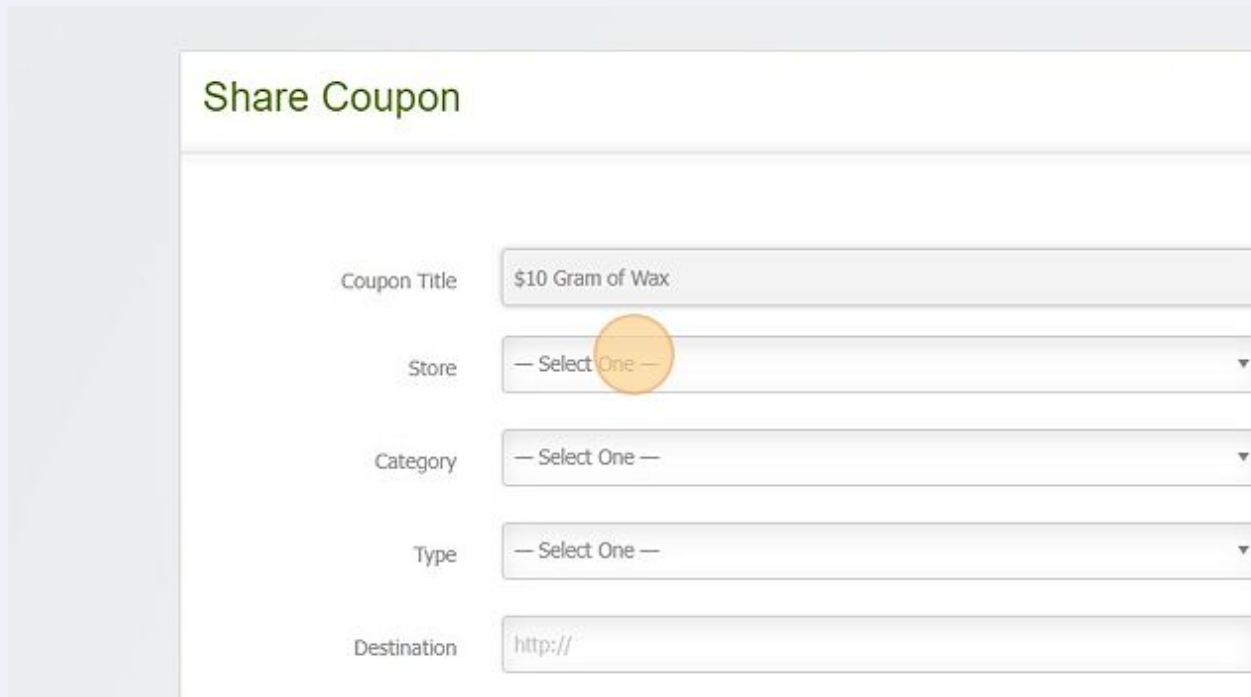

The screenshot shows a 'Share Coupon' page. On the left, there is a coupon selection area with the text 'Coupon' and '\$0.00 Unlimited'. A green button labeled 'Extras' is visible. Below this, a dark green bar contains the text 'Next Step', which is highlighted by a yellow circle. On the right side of the page, there are two sections: 'USER OPTIONS' and 'ACCOUNT INFO'. The 'USER OPTIONS' section includes links for 'My Dashboard', 'My Orders', 'Edit Profile', and 'Log Out'. The 'ACCOUNT INFO' section includes a profile picture, the name 'Dispo', 'Joined: May 18, 2021', 'Last Login:', an email address 'janitobe@brand-app.biz', and social media links for WhatsApp and Facebook, both labeled 'N/A'.

- 6 Click the "Coupon Title" field and create the name of your first coupon. This should clearly state the coupon's offer/deal.

The screenshot shows the 'Share Coupon' page with a form for creating a coupon. The form has four fields: 'Coupon Title', 'Store', 'Category', and 'Type'. The 'Coupon Title' field is highlighted by a yellow circle. The 'Store', 'Category', and 'Type' fields are dropdown menus, each with the text '— Select One —' and a downward arrow.

7

Create a new store in the "Store" dropdown menu. If you have already created a store, you can select the store under your account to post the coupon onto.

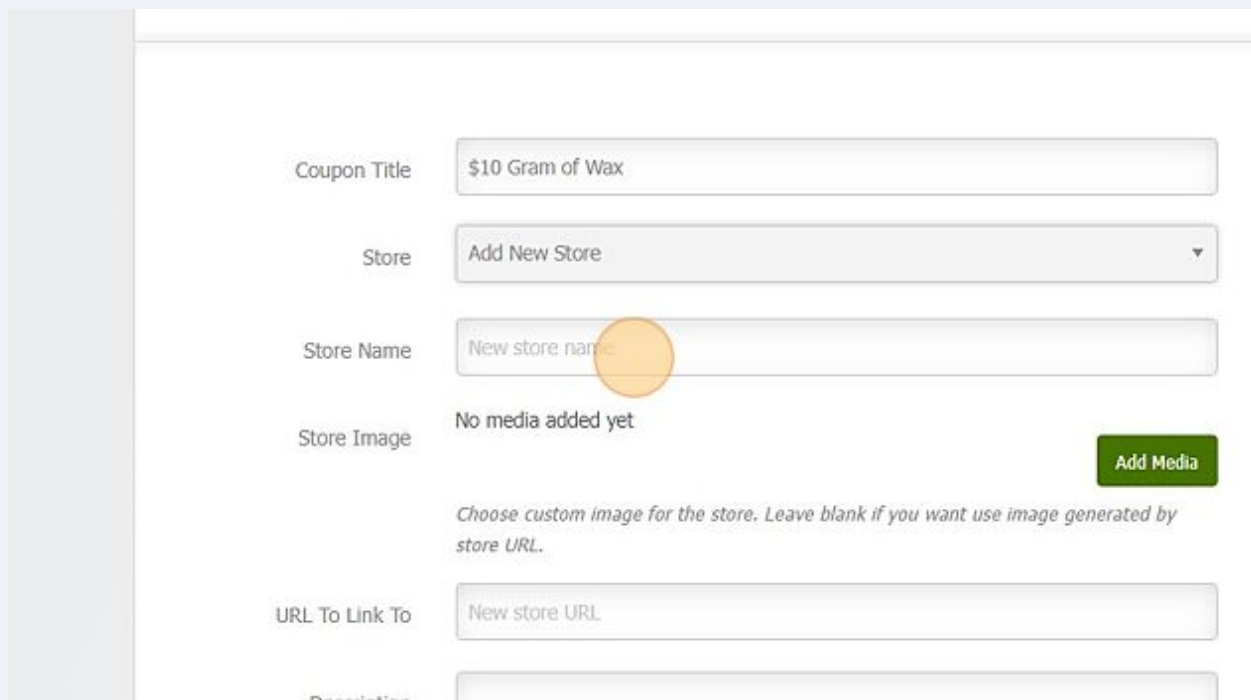

The screenshot shows a form titled "Share Coupon" with the following fields:

- Coupon Title: \$10 Gram of Wax
- Store: -- Select One -- (highlighted with an orange circle)
- Category: -- Select One --
- Type: -- Select One --
- Destination: http://

8

Click the "Store Name" field and add your store name.

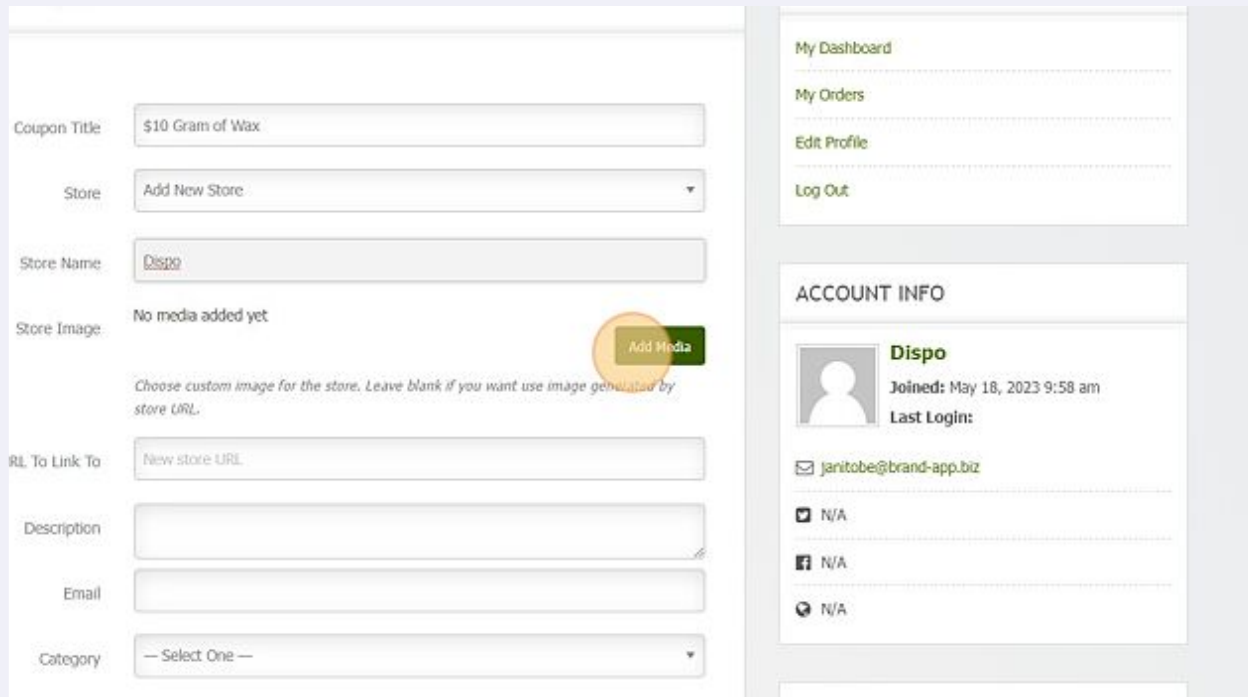

The screenshot shows the "Share Coupon" form with the "Store" dropdown menu expanded to show the "Add New Store" option. The "Store Name" field is highlighted with an orange circle and contains the text "New store name".

The form fields are:

- Coupon Title: \$10 Gram of Wax
- Store: Add New Store (dropdown menu)
- Store Name: New store name (highlighted with an orange circle)
- Store Image: No media added yet (with an "Add Media" button)
- URL To Link To: New store URL
- Description: (empty field)

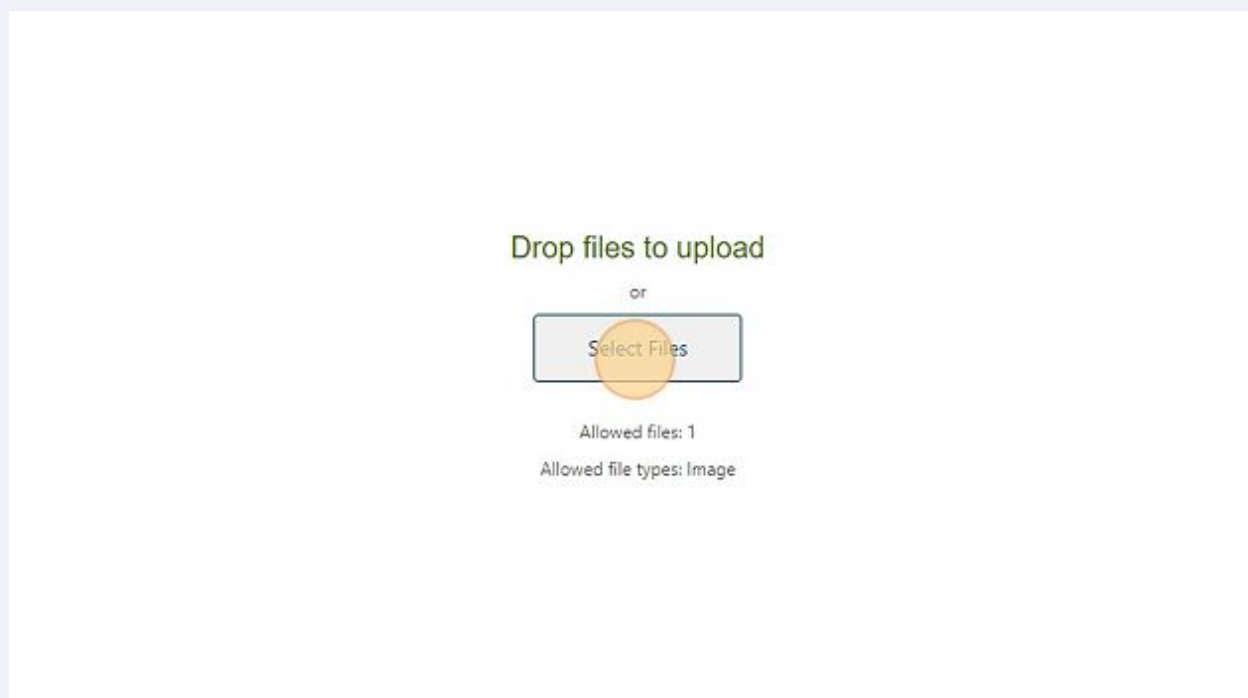

Below the "Store Image" field, there is a note: "Choose custom image for the store. Leave blank if you want use image generated by store URL."

9 Click the "Add Media" button to upload the store's logo image.

The screenshot shows a form for creating a store. The form fields are: Coupon Title (text input with value "\$10 Gram of Wax"), Store (dropdown menu with value "Add New Store"), Store Name (text input with value "Dispo"), Store Image (text input with value "No media added yet" and a green "Add Media" button highlighted with a yellow circle), RL To Link To (text input with value "New store URL"), Description (text area), Email (text input), and Category (dropdown menu with value "-- Select One --"). To the right of the form is a sidebar with navigation links: My Dashboard, My Orders, Edit Profile, and Log Out. Below these is an "ACCOUNT INFO" section for the user "Dispo", showing a profile picture, joined date (May 18, 2023 9:58 am), last login, email (jaritobe@brand-app.biz), and social media links (Twitter, Facebook, and Instagram) all marked as "N/A".

10 Click "Select Files" and select your image for your store logo. The size of the image should be 275Wx183H Pixels for optimal sizing. The image should have white background.

11 Click "Insert into post" to insert your store image.

purpose of the image. Leave empty if the image is purely decorative.

13

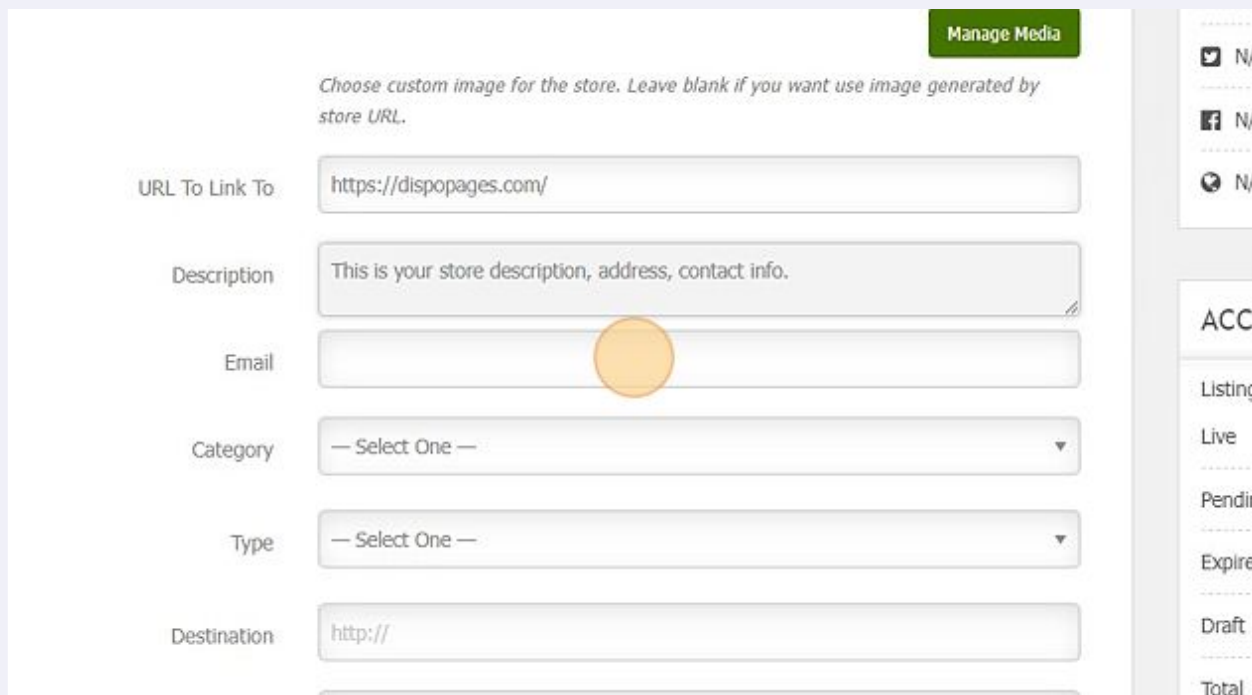

Click the "Description" field. Enter the description of your store. Address, contact information, and mission statement will all go here if applicable.

The screenshot shows a form with several fields. At the top right, there is a green button labeled "Manage Media". Below it, a text instruction reads: "Choose custom image for the store. Leave blank if you want use image generated by store URL." The form fields are: "URL To Link To" with the value "https://dispopages.com/"; "Description" which is highlighted with a yellow circle; "Email" (empty); "Category" with a dropdown menu showing "— Select One —"; and "Type" with a dropdown menu showing "— Select One —".

14

Click the "Email" field. This is the contact email for admins to reach out to you about your posting if an error occurs.

The screenshot shows the same form as in step 13, but with the "Email" field highlighted by a yellow circle. The "Description" field now contains the text: "This is your store description, address, contact info." The "URL To Link To" field still has "https://dispopages.com/". The "Destination" field at the bottom has the value "http://". On the right side of the form, there is a sidebar with social media icons (Twitter, Facebook, Email) and a list of categories: "ACC", "Listin...", "Live", "Pendi...", "Expire...", "Draft", and "Total".

- 15 Click the "Category" drop down to choose your store category.

17

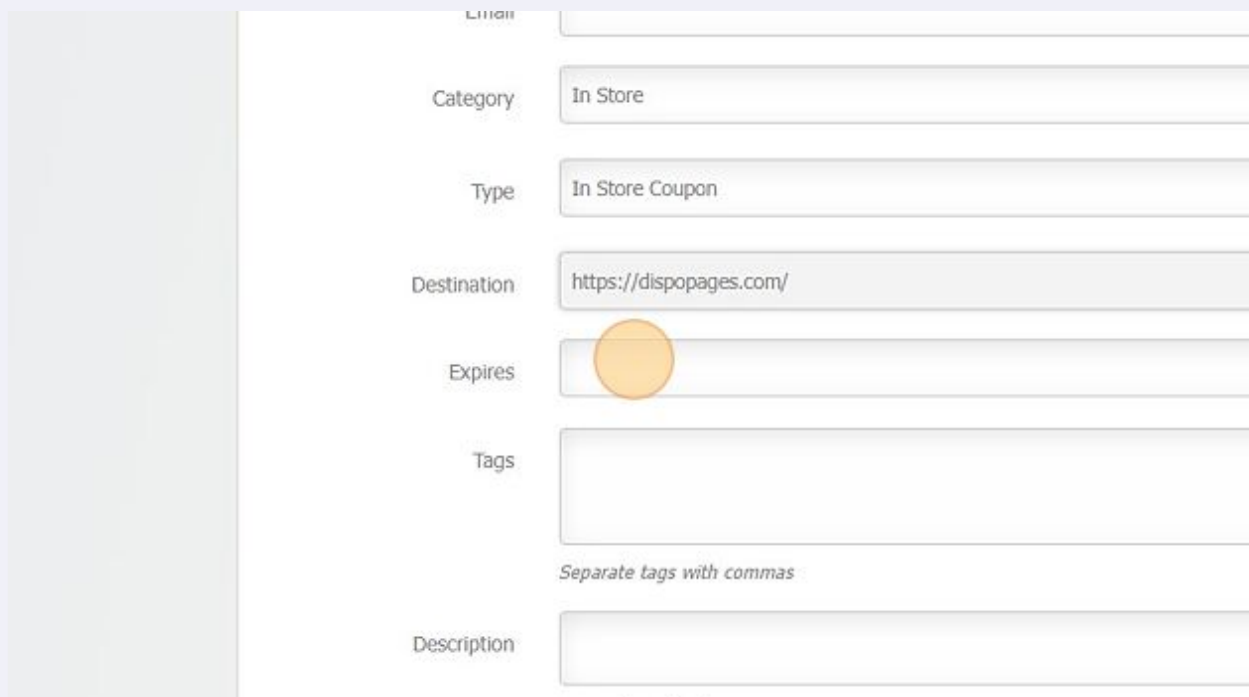

Click the "Destination" field and enter the URL you want the coupon ad to link to.

A screenshot of a coupon configuration form. The fields are: Email (empty), Category (In Store), Type (In Store Coupon), Destination (http://), Expires (empty), and Tags (empty). An orange circle highlights the Destination field. Below the Tags field, the text "Separate tags with commas" is visible.

18

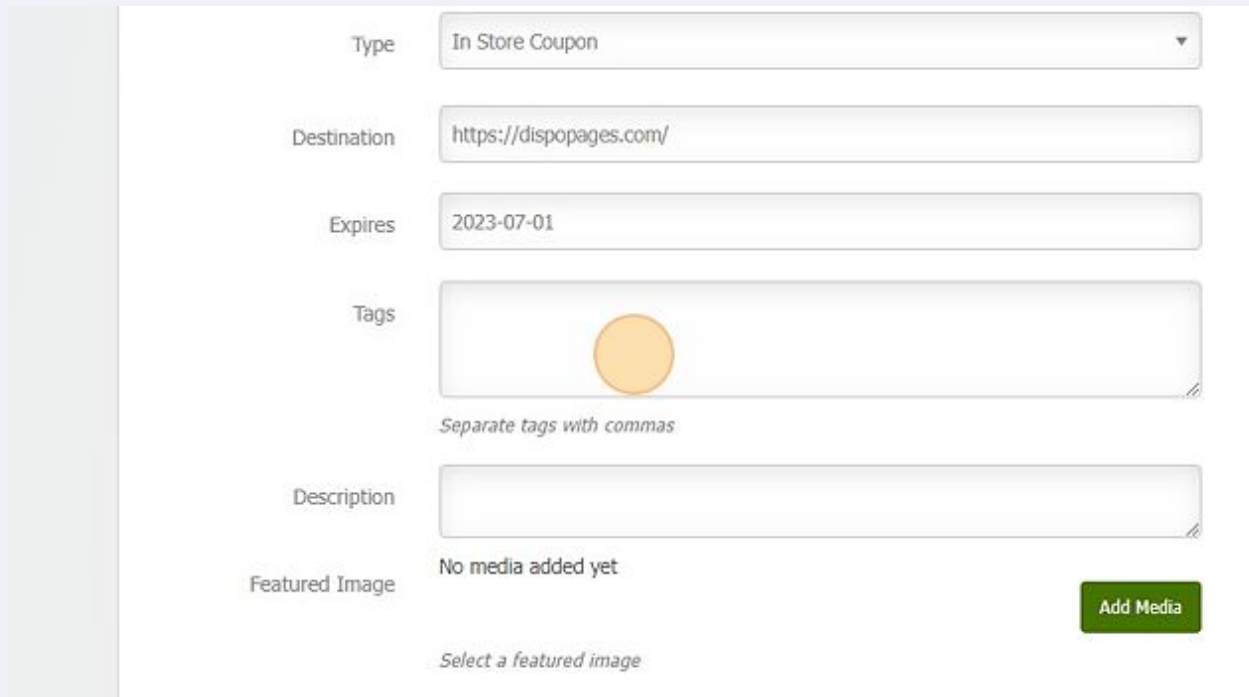

Click the "Expires" field and enter in when your offer expires. This does not have to be the same expiration date as your coupon expiration date.

A screenshot of a coupon configuration form. The fields are: Email (empty), Category (In Store), Type (In Store Coupon), Destination (https://dispopages.com/), Expires (empty), Tags (empty), and Description (empty). An orange circle highlights the Expires field. Below the Tags field, the text "Separate tags with commas" is visible.

19

Click the "Tags" field to enter in any tags for your coupon. Examples: Flower, Concentrates, *YOURSTORENAME*, Edibles, etc.

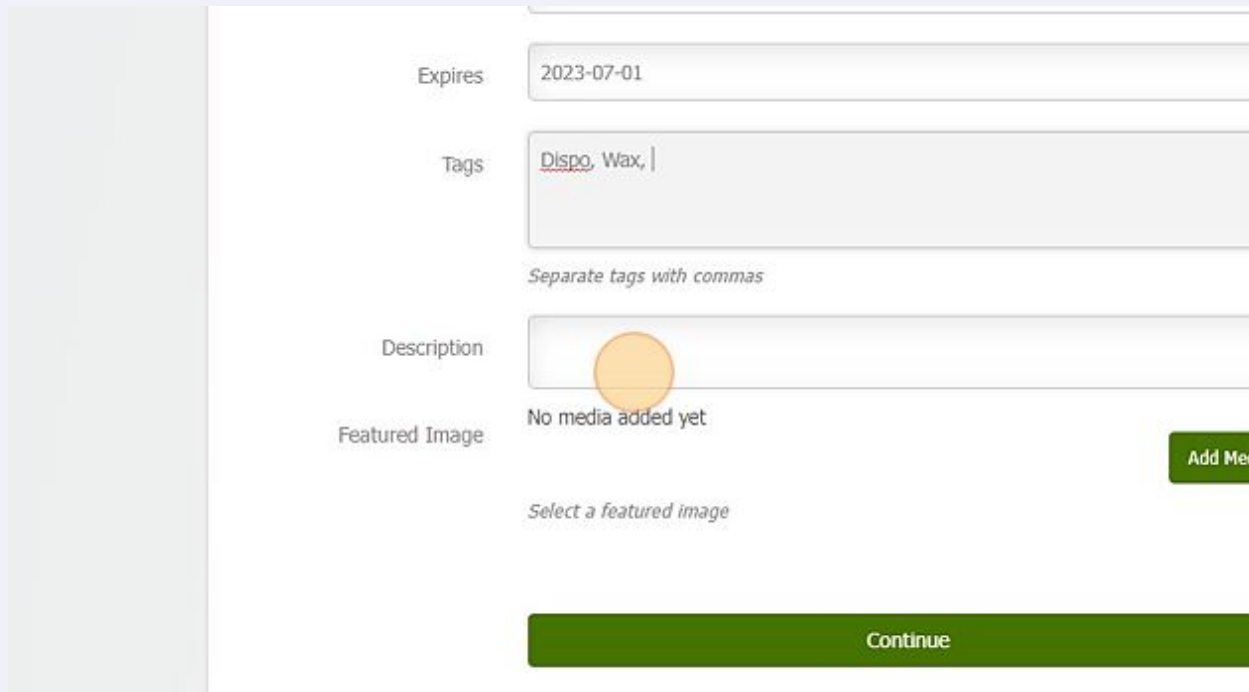

The screenshot shows a coupon creation form with the following fields and values:

- Type: In Store Coupon
- Destination: https://dispopages.com/
- Expires: 2023-07-01
- Tags: (empty field with a cursor and a yellow circle highlight)
- Description: (empty field)
- Featured Image: No media added yet (with an Add Media button)

Below the Tags field, there is a note: "Separate tags with commas". Below the Featured Image section, there is a note: "Select a featured image".

20

Click the "Description" field to enter the details of your coupon. Add details like coupon info, customer limits, stores offer is available at, etc.

The screenshot shows the same coupon creation form as in step 19, but with the following updates:

- Expires: 2023-07-01
- Tags: Dispo, Wax, | (with a cursor and a yellow circle highlight)
- Description: (empty field with a cursor and a yellow circle highlight)
- Featured Image: No media added yet (with an Add Media button)

Below the Tags field, there is a note: "Separate tags with commas". Below the Featured Image section, there is a note: "Select a featured image".

At the bottom of the form, there is a large green "Continue" button.

21

Click the second "Add Media" button to add the Coupon's featured image. If you leave this blank, your store's image will be used as the featured image.

Expired	0
